INTRODUCTION

Mega Dog is just a meme coin. Mega Dog has the great mission to fuck all meme coins. Each time Mega Dog fucks the next meme coin 5% of the Mega Dog coins will be burned and a great NFT collection will be released and dropped to holders.

Mega Dog is built on binance smart chain with extremely fast 5 second block times and cheaper gas fees than ethereum.

Mega Dog wants to beat all meme coins and create the Greatest Crypto Millionaires Community!

DISCLAIMER

Mega Dog, including but not limited to the overall project, token, website, smart contracts and any apps ("Mega Dog") as presented in this conceptual paper is not a licensed, unlicensed or exempted financial or payment service of any kind and in any jurisdiction. Any terminology used in this Woofpaper, on the Website or within the app is intended only as a basic reference, without any effective or legal meaning of the same terms in a regulated and/or financial environment. Mega Dog is a community-driven project and does not have owners, shareholders, promoters, marketers, managers, directors, or other figures or entities exerting any form of governance. The Mega Dog smart contracts are open-source, security audited, permanent and non-modifiable in any way. The Mega Dog coin is strictly a utility token in all jurisdictions and is not and cannot be considered to be a "security" or otherwise regulated token of any kind. Mega Dog is not in any way e-money and/or fiat money, or an asset backed stablecoin, whether global or limited in scope. This Woofpaper taken by itself is not a contract or a contractual agreement of any kind, nor is it an invitation, solicitation or offer to invest in Mega Dog or acquire or use Mega Dog coins in any way and with any expectation of profit therefrom. Any user of Mega Dog represents and warrants that such user has received appropriate technical, administrative, regulatory and legal advice before and after accessing and/or reading this Woofpaper or the Website, and/or using any portion or element of Mega Dog (including the Mega Dog coin). The user hereby acknowledges and accepts that there is an inherent high risk in accessing, acquiring or using any kind of blockchain and/or crypto system, token, platform, software or interface, including Mega Dog, and further disavows any claim of any kind against any community member directly or indirectly involved with Mega Dog, for any damage suffered, including total loss. Mega Dog is built on binance smart chain with extremely fast 5 second block times and cheaper gas fees than ethereum.

Advantages of the Binance smart chain are

- It's a proprietary blockchain, which will provide security and safety to all users and developers.
- Its native dual chain interoperability will allow cross-chain communication and scaling of high-performance dApps that require a fast and smooth user experience. It's EVM-compatible and will support all of the existing Ethereum toolings along with faster and cheaper transactions.
- Its on-chain governance with Proof of Staked Authority consensus, built on 21 validators who validate the transactions, will provide decentralization and enable significant community involvement.

Instant Rewards

For every transaction in the Mega Dog network a 5% fee is distributed to existing holders. That means you earn more Mega Dog just by holding Mega Dog in your wallet.

NFT

A great collection of NFTs will be released and distributed among the holders of Mega Dog coins every time the mega dog fucks the next meme coin.

Decentralization and Security

Mega Dog coins have been airdropped to our community allowing for greater security and decentralization. The team has just 5 % tokens which are locked for 5 years.
